

MY MEMORY VERSES

NO ANXIETY. NO FEAR.

**I'M GOING SOMEPLACE NEW
BUT, I DON'T KNOW WHAT TO EXPECT.**

**New places and new people can be scary
sometimes.**

I don't like it when I feel....

(pause and let's reflect)

**Here's something I can think about
when I'm feeling worried about being
in new places with lots of
new people....**

**Deuteronomy 31:6 says I can be strong and
courageous. I do not need to fear or be
worried of them (you know, the new people).
It is the Lord my God who goes with me. He
will not leave me or give up on me.**

**2 Timothy 1:7 says God did not give ME a
fearful and timid heart, but I have
received HIS power and love and self-
control.**

**Joshua 1:9 say God commanded me to be
strong and courageous, not to be
frightened, and not to be super worried.
He is with ME, wherever I go.**

**Philippians 4:6–7 says don't worry about
ANYTHING...instead, pray and ask God for
EVERYTHING (even stuff like feeling afraid no
one will like me). And when I pray,
always be thankful. God's peace will keep my
heart and mind in Christ Jesus.**
